HEALTHCARE FILMS

HIGH PERFORMANCE HEALTHCARE FILMS

Charter Next Generation is one of North America's leading independent producers of high-performance specialty film, flexible sterile barrier packaging solutions, and other end-use products that impact our local communities and beyond. We are committed to a sustainability-first approach that protects families, strengthens the global community, and facilitates a greener future for generations to come.

Our extensive product line of highly engineered, technically advanced films provide superior product integrity and protection.

CNG's films meet all the exacting requirements of the healthcare industry.

Why CNG for Healthcare?
